# Technology

Ms. Hayes's class have been using SeeSaw to upload school work into their online journals. The boys have been learning how to use an Ipad to upload photos of their work into their journal.

For World Book Day 2019, the boys in 2nd Class used My Story Book Online to write and design their own story books. They loved being authors and illustrators for the day!

Boys have been learning how to code using Scratch. Scratch teaches children how to do basic coding and simple animations. The boys have been progressing quite quickly and some boys can now make games using Scratch.
